Sir:

The following communication is responsive to the Office Action mailed July 17, 2001.

REMARKS

Claims 1-44 were originally filed in the present Application. Claims 1-44 have been cancelled, and three sets of claims have previously been added. In particular, Claims 45-65 have been added (copied from US Pat. 6,110,677), Claims 69-78 have been added (intended to encompass the subject matter claimed in US Patents 6,110,677 and 6,121,001), and Claims 79-107 have been added (copied from US Pat. 6,121,001). The Examiner has requested that applicants highlight support for the pending claims in the present application under 37 CFR 1.607(a)(5). Detailed below are examples of where support for each claim is found in the present application. Applicants note that the present specification provides ample support for the pending claims, and the examples of support provided below are not intended to encompass every instance where support may be found in the present specification.
